JOHN W. CHILDRESS. Ch. State Dem. F.x. Com. expired.

THE NEXT PRESIDENT. Writing from New York to the Philadelphia Times, "Gath" says The two items of interest I learned at the launch last Saturday were from Secretary Schurz, saying it was a fortunate thing for public morals that old Granny Howe had under taken the role of Balaam; and from Speaker Cooper, expressing the be lief that Don Cameron's re-election was certain, unless the Democrats got the Legislature. The powers of good and evil and yet in their firs fresh contention. Hayes gaining it steadiness and anti-Hayes dropping off very little in cussedness. The latter now base all their hopes of running Grant in 1880, but while they coalesce on that hope the multitude is antagonizing on Grant Dull as the times are, people fee that they medicine us and behold i Grant's return to power the circling vultures flying lower. Every day while the politicians resolve or Grant, the people, even those who apologized for him, grow cooler. It is not Grant, but Grantism which repels; not the wooden Trojan horse but the thieves in his belly. Haves stifly resists the Grant puddle at Washington, there is no great interest about his successor. Every body sees that he is starving the politicians out, and that is why the more hungry band, led by Conkling and his pals, support Huntington by its denizens as if spelled Heus

argument, cutting off all hope of escape. He dug beneath the murderer's feet ditches of dilemmas, and held up the slanderer to the scorn and contempt of the populace. Having thus girt him about with a circle of fire, he stripped himself to the work of massacre.

Oh! then it was a vision both glorious and dreadful to behold the orater. His actions, too, became as impetuous as the motions of an oak in a hurricane. His voice became a trumpet filled with whirlpools, deafening the ears with crashes of power, and yet intermingled all the while with an undersong of sweetest cadence. His forehead glowed like a heated furnace, his countenance was haggard like that of a maniac, and ever and anon he flung his long, bony arm on high, as if grasping after a thunderbolt.

He drew a picture of murder in appalling colors, that in comparison youth of twenty-one to practice at hell itself might look beautiful; he the bar.
